CALL FOR EXPERTS TO SUPPORT THE EUROPEAN CAPITALS OF CULTURE

COMPANY INFORMATION 

The 'Capacity Building for European Capitals of Culture' project is seeking professionals from a variety of disciplines to join its pool of experts, with the aim is to help bridge skills gaps and build capacity in the implementing teams of European Capitals of Culture (ECOCs).

ECOCs teams will be able to tap into this pool of experts when searching for specific knowledge and skills, to help meet ECOCs' key capacity building needs. In particular, experts are sought in the following areas: audience development, conflict resolution, change management, legal (including intellectual property rights and licensing agreements for culture), and monitoring and evaluation in the cultural sector. Experts in management, communications, coordination and international relations are also needed. The call for experts will remain open throughout the project.

If you wish to be included in the pool of experts, please read carefully the eligibility criteria prior to posting to ensure that you meet the requirements. You will be requested to register to this website, either by using your Facebook, Google or LinkedIn account or by creating your own using your Email. Once registered, you will be able to apply and later to modify your application if need be.
