ONLINE PRESENCE

The association De Mains De Maîtres Luxembourg aims to continue and develop the action, initiated in 2016 by H.R.H. the Grand Duchess Heiress, to organize a large exhibition in the heart of Luxembourg that lists and brings together the creators and craftsmen practicing in the Grand Duchy and its Greater Region.

Among the missions of the association, the first is to perpetuate the exhibition "De Mains De Maîtres" whose reputation extends beyond the borders and become a true Biennial of the Crafts allowing to build indispensable bridges between the main actors of the various European countries.

The vocation of the association De Mains De Maîtres Luxembourg is also to export the crafts and the artisanal know-how of Luxembourg. Complementing and reinforcing this biannual event in the heart of the Grand Duchy, the association is developing a program of exhibitions abroad, proposing to exhibit each year a selection of Luxembourgish craftsmen in the different European capitals, according to the major events specific to each country, or in the heart of embassies or other prestigious places.
