

MUSIC

WAVETABLE SYNC

Music & Sound for Film, Games, TV and Advertising

COMPANY INFORMATION

ONLINE PRESENCE

TEAM

Established in London, now based in Luxembourg, Wavetable Sync specialises in music and sound for motion pictures.

Bespoke Composition

We compose bespoke scores to enhance the emotional impact of your visual narratives. Be it a trailer, film, advertisement, or video game.

Music Supervision

Working with a roster of indie labels, publishers, artists and producers, we provide music search and licensing services to meet the standards and stories of your projects.

Sound Design

As sound designers, we build sound effects and environmental ambiences from scratch, using foley, field recording, and sound design techniques.

Sonic Branding

We work with your marketing teams to build a sonic identity that matches your branded visuals.

SKILL SET

music supervision

sound design

music production

The Luxembourg Creative Industries Cluster brings together various interconnected players in order to increase their visibility and enhance their innovation potential.
