Experienced architect and project manager with over 10 years of managing interior design and furniture, I started with md-design brand in 2013 to support architects with residential building projects as well as interior contract for hotels and multi-family residential projects in Belgium and Luxembourg.

I describe D+ Concept as a "Cross Design Agency", representing and advising on a large selection of interior & decoration brands.

I believe in new interior solutions that gives us a sense of well-being in our living spaces and with that in mind I carefully selected successful companies with strong values & high quality standards.
